

## LED LAMP GU10 6W 530lm 4000K 110° 175-250V

Code: 147-77824

### TECHNICAL DATA

|                                 |                                                                   |
|---------------------------------|-------------------------------------------------------------------|
| Series Number:                  | PLUS                                                              |
| Supply Voltage (V):             | 175-250V                                                          |
| Nominal Power (W):              | 6W                                                                |
| Wattage Equivalent (W):         | 85W                                                               |
| Amperage (A):                   | 51mA                                                              |
| Operating Frequency (Hz):       | 50/60Hz                                                           |
| Lampholder:                     | GU10                                                              |
| Led Type:                       | SMD2835                                                           |
| Bulb Shape:                     | GU10                                                              |
| Color Temperature (K):          | 4000K                                                             |
| Luminous Flux (lm):             | 530lm                                                             |
| Power Factor (PF):              | >0.50                                                             |
| Color Rendering Index CRI (Ra): | >80                                                               |
| Life Time (h):                  | 25000h                                                            |
| Starting Time (sec):            | 0.5 sec                                                           |
| Switching Cycles (ON/ OFF):     | 25000                                                             |
| Dimmable:                       | Όχι/No                                                            |
| Energy Class:                   | F                                                                 |
| Ingress Protection (IP):        | IP20                                                              |
| Operating Temperature °C:       | -30°C - +45°C                                                     |
| Beam Angle:                     | 110°                                                              |
| Cover Color:                    | Διάφανο/ Clear                                                    |
| Product Material:               | Πλαστικό με Ψύκτρα Αλουμινίου/<br>Plastic with Aluminium Heatsink |
| Product Gross Weight (kg):      | 0.033                                                             |
